IHBC CPD Circular

Continuing Professional Development opportunities and much more

As part of the IHBC's commitment to providing our members and their networks with up to date information on continuing professional development (CPD) opportunities and information, this monthly service includes upcoming Branch and National Events, CPD opportunities, Awards, Placements, Bursaries & Scholarships, Calls for Papers and more from across the UK and beyond.

In this time of restricted personal interaction, we appreciate that student researchers are having a particularly difficult time getting to know professionals across the sector. As such we are offering to include links to student research questionnaires, and we ask our network to help these students by completing those questionnaires relevant to their expertise. For students who wish to take advantage of this service, email your research subject, a short summary of your research aims, and a link to your questionnaire to services@ihbc.org.uk.

Use your time at home to complete your CPD with online resources such as:

- Periodicals, such as our own member journal *CONTEXT* and its [digital archive](#).
- Our [NewsBlogs](#) which date back to 2007 for news from across our inter-disciplinary members' interests.
- [IHBC's Conservation Wiki](#) to which contribute
- Contributing to or participate in virtual conferences and webinars such as the upcoming [IHBC Virtual School](#), and more from our CPD partners and registered [CPD Providers](#), including those detailed below.

Finally you can use this time to advance your IHBC membership, whether by [joining up](#) or tackling your [application](#).

IHBC National & Branch Events

19 June: [IHBC Virtual School: Old Towns | New Futures: Heritage Reflections & Speculations from a Global Pandemic](#) Virtual

Terms & Conditions

The IHBC supports organisations as '[IHBC Recognised CPD Providers](#)' when we consider that they consistently produce training, seminars and events capable of contributing to the mandatory CPD requirements accredited members of the Institute. For more Providers and links, and to sign up to this free Circular, go to our CPD listing page. To apply to become an 'IHBC Recognised CPD Provider' please complete the [online form](#).

NOTE:

- IHBC CPD Circular listings cannot aim to be comprehensive. They are a selective and indicative collation from the IHBC's own [Events Calendar](#) and other IHBC network resources. Listing is determined by the IHBC's own judgement of CPD priorities for our members, as well as IHBC resources available to manage and prioritise the selection.
- Listing in the IHBC CPD Circular does not offer any guarantees on the services cited, and users should ALWAYS check details direct with the provider, either using our Events Calendar or, where relevant, with the 'IHBC Recognised CPD Providers' web page.
- Prospective value of a listing to a member's own CPD priorities is, in the first instance, always a matter for the individual member.
- The IHBC NewsBlog and IHBC Jobs etc digital alerts are circulated separately, provided you have subscribed to these services. If you would like to sign up to either service please follow these links.
